

## Where the Money Goes

The Lions Society of B.C. has been registered as a charitable organization since 1952. Our Society mandate has always been to support children with disabilities throughout British Columbia. We're dedicated to enriching the lives of children through a renewed focus on giving children abilities. We are committed to do all we can to enhance the lives of children with disabilities by giving them self-esteem, self confidence and a sense of independence.

With your support, we will continue to build the following quality programs and services and continue to give generations of children "abilities":

Vancouver Island Easter Seal House  
Easter Seal Buses  
Easter Seal Camp Shawnigan  
Patient Care Grant Program
